

Solar Eclipse Evaluation Information

Thank you for utilizing the Solar Eclipse educational resources. We look forward to hearing your feedback along with the feedback from the youth you taught. Your input helps guide our future programming efforts.

Student Evaluation:

Student evaluation data should be collected from youth, grades 4th-12th, who participate in any of the solar eclipse lessons. Youth who participate in a classroom, afterschool, camp, or workshop settings are all encouraged to contribute.

A paper version of the evaluation can be distributed and collected. Please mail or scan/email completed evaluations to the addresses below.

Nebraska Extension in Cedar County
Attention: Jackie Steffen
PO Box 368, 101 E Centre Street
Hartington, NE 68739
jsteffen2@unl.edu

or

An electronic version of the evaluation is also available. Each student can visit the following link to complete the evaluation online. https://ssp.qualtrics.com/jfe/form/SV_085qBDahjg6P4ah

The student evaluation questions come from the National 4-H Common Measures 2.0 instrument which is designed to assess the impacts of 4-H. This solar eclipse program is a partnered program including Nebraska 4-H within the University of Nebraska-Lincoln. Therefore, all students that participate in an eclipse lesson are experiencing Nebraska 4-H.

All evaluations are due by October 1st of the current year

Educator Evaluation:

Your input is greatly valued as a teacher. Whether you taught one or multiple lessons from the solar eclipse educational resource packet, we would appreciate your feedback.

Please survey your students and tally their responses for the following questions prior to completing the online evaluation. You will be asked to enter this data.

	Yes	Sort of	No
Do you like science?			
Would you like a job that uses science?			
Did you learn new things about science?			
Did you talk about how science can be used to help solve everyday problems?			
Have you shared your science-related project with others?			

Evaluations can be completed using the following link. https://ssp.qualtrics.com/jfe/form/SV_bvxK39I8U6djHa5

All evaluations are due by October 1st of the current year

Workshop Participant Evaluation:

If you attended a solar eclipse educational training, either in person or virtually, please use the evaluation link below to enter your feedback. https://ssp.qualtrics.com/jfe/form/SV_7OoZLXXv3TN5W1D

All evaluations are due by October 1st of the current year
